

# Free Workshops – Your Invitation

## **Housing Health & Safety Rating System [HHSRS]**

If your property was inspected following a complaint and an Environmental Health Officer found Category 1 or 2 hazards associated with excess cold, damp, trips and falls, Bolton Council has a duty to act. Attending this workshop will give landlords a clearer understanding of how Bolton Council assesses all 29 hazards under HHSRS and what steps you can take to reduce risks.

## **Local Housing Allowance [LHA]**

Your tenants may be currently employed, but if your tenant ever lost their job you need to know under what circumstances Housing Benefit can be paid, or why a tenant might not be eligible to claim the full rent on a property. Attending this workshop will give landlords a better understanding of Local Housing Allowance and how to reduce and prevent rent arrears.
