

Free Workshops – Your Invitation

Ending A Tenancy

Evicting a tenant can be a lengthy process but is it taking longer than expected, is a problem tenant refusing to leave the property? Have you tried to evict a tenant and had the Court throw it out because you have not served the Notice or completed the paperwork correctly?

If the answer to any of these questions is “Yes”, this workshop offers landlords more information and advice about steps they could take before the eviction stage, when and how to issue different Notices and the Court process. There will also be an opportunity to practice completing examples of the paperwork required to evict a tenant successfully.
